Choosing Your Perfect Room

Here at Redbourn Club we have a choice of two beautiful rooms.

Our most popular room for weddings is

The Function Room.

Capacity 80 day guests. 100 for night time

This room overlooks the grounds and has views of the golf course. It is a beautiful bright and spacious room with its own fully staffed bar. It also has its own private smoking area and toilets so your guest will never have to miss out on your special day. The décor is Pink and grey with brown tables and deep red chairs.

We would say it is the perfect room for any day time wedding reception.

Our Concert Room

Capacity 350

Perfect for those couples who have a larger guest list. Or who would love a band. This room is mostly used for night time receptions.

The perfect room for a band as this room has its own stage. Fully staffed bar and own toilets. The décor is Grey and Teal with dark tables and Teal Chairs.
